Knits and Knot

WE TALK IN NEEDLES AND THREADS

WELCOME

"Since our beginning in 2009, our goal has always been to craft bespoke uniforms that look great, fit perfectly, are good value for money but most importantly convey our clients' brand essence effortlessly.

Knits and Knot's success is built on understanding the principles of classic tailoring, combining them with modern designs and technology."

Usman Jamil

About

THE BRAND

"Knits and Knot" was founded as a division of Samiah International Trading LLC more than a decade ago.

As uniform makers, we strive to give our clients a one-stop solution, right from curating the fabric, to designing, all the way to delivering the product to our clients' choice of port!

STRATEGY

VALUE

We pride ourselves on getting our clients the best prices in the current market owing to our implementation of modern cost-cutting and efficient practices at root level.

ETHECAL MANUFACTURING

We ensure a holistic approach when it comes to our manufacturing process. We also take care that our other units also adhere to international business practices and ethical standards.

CLIENT CARE

We at Knits and Knot have a streamlined process to give you a personalized service that makes choosing, altering, and fitting a new uniform a hassle-free experience.
